

Privacy Center

We're committed to maintaining the privacy and security of your personal information. IAMS entities may collect and use certain information about you to provide a variety of products and services. Depending on your relationship with IAMS, different privacy notices may apply.

For more information on our privacy practices, please refer to the links below in accordance with your relationship with IAMS:

- [Website Terms of Use](#)
This document governs the use of our websites.
- [Consumer Privacy Notice](#)
This notice explains our general privacy practices including how IAMS sites may collect, use, and share information from or about you, excluding California Residents.
- [Consumer Privacy Notice for California Residents](#)
This notice explains our general privacy practices for California residents including how IAMS sites may collect, use, and share information from or about you.
- [Financial Professional Privacy Notice](#)
This notice applies to prospective, current, and former IAMS agents or producers regarding their professional relationship with us, excluding California Residents.
- [Financial Professional Privacy Notice for California Residents](#)
This notice applies to prospective, current, and former IAMS agents or producers who are residents of California regarding their professional relationship with us. The IAMS sites are intended to be made available only to individuals in the United States, and the information on the IAMS sites is only for such persons. These notices do not address personal information collected, used, and disclosed for employment or applications for employment at IAMS.
- [Cookie Policy](#)
This Cookie Policy explains what cookies are and how we use them, the types of cookies we use i.e, the information we collect using cookies and how that information is used, and how to manage the cookie settings. Cookies are small text files that are used to store small pieces of information. They are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make it more secure, provide better user experience, and

understand how the website performs and to analyze what works and where it needs improvement.

- **IAMS as a Service Provider – Hosted Data**

Some of our services include processing personal information on behalf of our Financial Professional Clients in relation to applications, tools or software that we provide (“Hosted Data”). We are not the data controller of Hosted Data as we do not determine the purposes or the means of processing. If you believe your Personal Information is being processed by us in this way, you should refer to the privacy notice of the data controller on whose behalf we are acting. If you wish to access, correct, update, modify, or delete Hosted Data or if you would no longer like to be contacted by one of our Clients, you should direct your query to the Client, who is the Data Controller of your data. If you are a Financial Professional Client of our Services and wish to raise a request on behalf of data subjects in connection with Hosted Data, please contact us at mike@iamswm.com.
